COUNTY (formerly JUBILEE) SWISS PAIRS

This event, which is open to members of the EBU and Cambs and Hunts C.B.A.(see information below), will be held on **Sunday 25th April 2010** in **Trumpington Village Hall** starting at 1.00 pm and finishing about 8.00 p.m. Refreshments will be provided and are included in the price.

The event consists of 6 X 8 board matches, 3 played before the tea interval and 3 afterwards. Permitted systems/conventions will be level 3.

There is a **winner's trophy** and there will be **prizes** for the leading pairs (numbers depending on entry) and for the leading pair below Master (5000 local points). There will also be prizes for the pairs, not receiving another prize, who gain the most victory points in the first session or positions in the second session (Ascendor's prize). Scoring will be by computer with current round assignments. Master Points will be awarded (per match won and on overall ranking) on the county scale.

For the benefit of any who have not played a Swiss Pairs before, it is similar in many ways to the better known Swiss Teams. Each pair plays a series of eight board matches. Each board is scored across the field by normal pairs scoring (match pointed pairs) and each pair's percentage score over eight boards is converted into victory points (20 VPs per match). The first round is drawn randomly but in subsequent rounds each pair will meet opponents with a similar cumulative VP score. The final ranking is based on the victory points gained over the six rounds.

Important Note This event requires an even number of pairs, which means that the last to enter may not be accepted. **To avoid disappointment please enter early.**

Entries should be made on the form below, not later than **19th April 2010**, and sent with the entry fee of **£26 per pair** (which includes tea) to:-
